Profile Summary

- Enthusiastic and detail-oriented fresher with a strong foundation in web development and Java programming. Proficient in front-end technologies like HTML, CSS, and JavaScript, as well as core Java concepts.

Education

- | | |
|--|-----------------------------------|
| • V.S.B.College of Engineering Technical Campus
Bachelor of Computer Science and Engineering
CGPA : 8.60 | Coimbatore,Tamilnadu
2022-2026 |
| • S.C.M.Higher Secondary School
HSC – Percentage : 87.3% | Coimbatore,Tamilnadu
2021-2022 |
| • S.C.M.Higher.Secondary.School
SSLC – Percentage – 82.4% | Coimbatore,Tamilnadu
2019-2020 |

Experience

1. Web Development Intern - *Codespeedy Organization*
 - Successfully completed a web development internship, demonstrating strong problem-solving and project execution skills. Gained hands-on experience in debugging, code optimization, and meeting project deadlines effectively. Debugged and resolved issues to improve website functionality and reliability.
2. Web Development Intern – *Metresa Organization*
 - Completed a short-term virtual internship focused on web development fundamentals and practical application. Worked on developing and enhancing responsive web pages using HTML, CSS, and JavaScript. Worked on debugging and optimizing code to improve website performance and user experience.

Projects

1. Responsive Personal Portfolio
 - Developed a fully responsive personal portfolio website to showcase skills, projects and experience in web development. The portfolio demonstrates expertise in creating user-friendly and visually appealing designs while ensuring compatibility across different devices and screen sizes. Structured content into sections such as About Me, Skills, Projects, Resume, and Contact for easy navigation.
2. Simple Banking System
 - Developed a console-based banking system in Java to manage basic banking operations such as account creation, deposits, withdrawals, and balance inquiries. The project demonstrates the application of object-oriented programming (OOP) principles, including encapsulation and abstraction.

Skills

Programming Language : Java , C , Python Basics

Framework : HTML , CSS , JAVASCRIPT

Tools : VS code , IntelliJ , Eclipse

Certifications

- 1.Programming in Java - NPTEL Course Completion
- 2.Java Concepts - Infosys Springboard
- 3.Complete Internship course of Web development - VaultsofCode
- 4.Accenture Project Management Job Simulation - Forage
- 5.Software Engineering Job Simulation - Forage
- 6.Web Development Course - NoviTech Organization

Expertise

- 1.Problem Solving
- 2.Quick Learning
- 3.Project Management
- 4.Database Management
- 5.Presentation Skill

Language Known

- 1.TAMIL - Read / Write / Speak
- 2.ENGLISH - Read / Write / Speak
- 3.KANNADA - Speak
